Steering committee

Please vote for times you are available to participate in a steering committee meeting with Benjamin Martin and his team from UCSC. The purpose will be to share your comments with him and his team. Attached is a copy of the report. I will send out an outlook appointment, including a conference call number once we find a date/time that will work for the most of us. I know it is a big group, but there is obviously a lot of interest. Please let me know if there is someone I missed.
